

Joint Press Release from Sundowner and Community of Christ

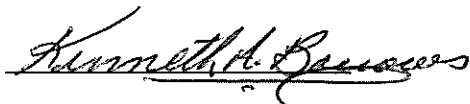

Sundowner Tourist Parks Pty Ltd. and Community of Christ Ltd jointly announce, with immediate effect that the operational difficulties that arose during the latter part of 2015 are sufficiently resolved to enable:

- All Green Cathedral Wedding Ceremonies to proceed for those bookings made prior to 1st December 2015 (in effect no wedding cancellations);
- The Green Cathedral Ministries Congregation, and those who choose to join with the Congregation, to worship in the Green Cathedral on Sunday
- The public to visit and experience the unique religious atmosphere of the Green Cathedral;
- Foot access to the Green Cathedral from the Lakes Way across the pathway at the southern end of the Sundowner Tourist Park.

The Community of Christ requests that the public service generosity of Sundowner Tourist Park Ltd in granting convenient access across the tourist park to the Green Cathedral be recognised and respected at all times.

Our organisations sincerely regret and apologise to all parties who may have been adversely affected while the operational difficulties have remained unresolved.
