

It is with a mixture of gratitude, sadness, and a deep sense of reflection that I write to inform you I have formally resigned from my position as Youth & Young Adult minister within Community of Christ, Australia Mission Centre.

I want to express my gratitude to the entire membership of the Community of Christ. Your unwavering support, encouragement, and prayers have been a constant source of inspiration for me. The love and fellowship shared within this community have enriched my life in countless ways. Working alongside the dedicated members of this church body has been an incredibly rewarding experience, and I will forever cherish the memories we have shared.

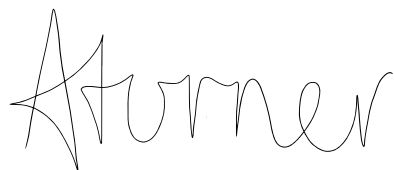

However, after much thought and contemplation, I have come to the difficult decision that it is time for me to embark on a new chapter in my personal and spiritual journey. This decision has not been easy, and I have spent considerable time in prayer and reflection, seeking guidance from God. My life has had many changes from when I first began in 2011 and I believe that this change is necessary for my personal circumstances and to nurture my young family whilst finding ways to explore new avenues of service and ministry.

I am truly grateful for the trust and confidence you have placed in me throughout my time with the Australia Mission Centre. It has been a privilege to contribute to the various initiatives, programs, and activities of the church. The impact we have made together in the lives of individuals and the community is a testament to the dedication and passion of this church body.

While I may be leaving my formal position within Community of Christ, please know that my commitment to my faith and the principles that Community of Christ upholds remains steadfast. I will continue to hold our church in my prayers and seek opportunities to support its mission and vision in whatever capacity I can.

May God bless you and transform you. I look forward to witnessing the continued growth, success and metamorphosis of this remarkable church community.

With warm regards and heartfelt gratitude,
