

The background is a dark purple space scene. On the right, a large Earth globe is shown in shades of blue and white. In the center, a bright yellow Saturn planet with its rings is visible. In the bottom left, a white and blue astronaut is floating. The sky is dotted with white four-pointed stars.

## *The Gratefulness Game*

*Number of players: 2-4*

*Age: 3+*

*You will need a dice and 4 player tokens*

*How to play:*

- *Each player begins on the start square.*
- *To decide who goes first, each player rolls the dice. Whoever rolls the highest number will begin the game.*
- *Simply roll the dice and move your player token along the board.*
- *The first player to pass finish square is the winner!*

*PLAY ON THE NEXT PAGE*
